Dear Friends and Family,

The Rope: Venturing into missions, William Carey said, “I will go down, but remember that you must hold the rope.” With those words, I was handed a piece of rope at my missionary appointment service in 1987. I have not forgotten what I was told to remember. The hour is late and there is still so much work to be done. My four kids are all grown and a new season of global missionary service begins!

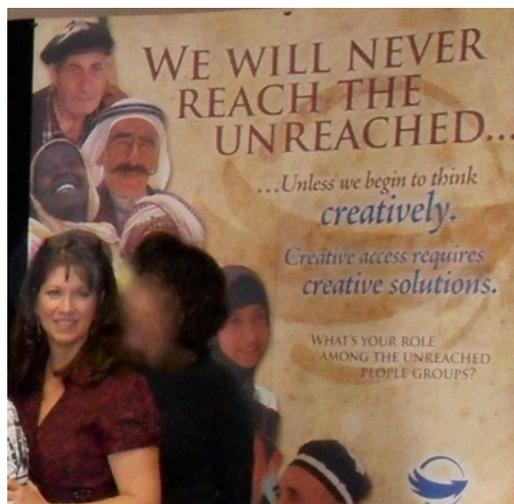

The Task: With clear confirmation, I accepted an invitation to join the bold initiative of [Crossover Communications International's](#) of planting 2,000 reproducing churches by 2020. I will serve on a team, called “Member Care”. The assignment is to prepare, coach, and equip missionaries who are working among the unreached people groups so they can be most effective.

It's an incredible opportunity to come alongside those who serve in difficult locations and face challenging circumstances. It is a passion of mine to pray fervently over ministries, celebrate victories, and meet others in their area of physical, spiritual, and emotional need. Having been a teacher for over 20 years, I look forward to coming alongside our families who are homeschooling by encouraging, guiding, perhaps assessing our M.K.'s overall progress in their schooling. Through the use of scripture, I hope to be a voice that communicates to others peace, assurance, and confidence that truly God wants to do more through His ambassadors than we could think or imagine (Eph. 3:20).

The Invitation: With a leap of faith, I resigned from teaching, sold my home, and freed myself of “stuff” in order to relocate to the mission base in South Carolina. I do it all for the sake of the advancement of the gospel and for the glory of God. I would like to personally invite you to partner with me in this exciting work.

It is my privilege to introduce you to **Crossover Communications International (CCI)**.

As a globally integrated movement, CCI mobilizes church planters to go out into the unreached people from sending bases in four countries: Brazil, Moldova, New Zealand and the USA. This international partnership and cross-cultural dynamic helps us accomplish more for the expansion of God's Kingdom than we could separately. Our common vision and values hold us together as we passionately seek to serve as a catalyst for planting multiplying churches among the unreached peoples of the world.
