

Joy on the Journey

"Be full of JOY in the Lord always. Let everyone see that you are gentle and kind. The Lord is coming soon!"
Philippians 4:4-5

Every year during Ramadan, over 1.6 billion Muslims worldwide take a month to focus on prayer as they fast from dawn to sunset. This annual observance is regarded as one of the Five Pillars of Islam. Many Muslims pray intensely during the last ten nights because they believe that's when the Quran was first revealed. They believe that their prayers on the last night are worth 1,000 months of worship.

Followers of Jesus Christ have an amazing opportunity through July 17 to pray that as Muslims seek the truth they will find it. Crossover has partnered with several organizations to sponsor and provide a prayer resource, 30 Days of Prayer for the Muslim World. Please visit 30 Days of Prayer to join us in prayer through Ramadan and continue intense prayer focus through the month of July.

"You will seek Me and find Me when you seek Me with all your heart." Jeremiah 19:23

Crossover recently celebrated the planting of 311 churches among unreached people groups. Out of these churches, 126 were planted among Muslim communities. Though we are excited about the process, at Crossover we understand that while we can be as strategic and intentional as possible, the advancement of the Kingdom won't happen without much prayer.

Thank you for your commitment to extend the Kingdom of God through Crossover and for loving the Muslim people!

All for His global Glory,
Joanna

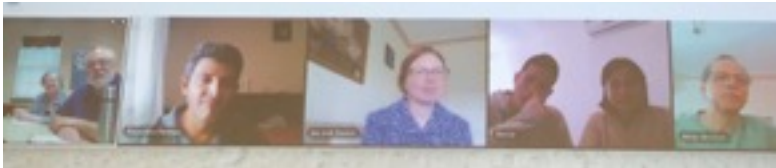

Joy on the Journey

"Be full of JOY in the Lord always. Let everyone see that you are gentle and kind. The Lord is coming soon!"
Philippians 4:4-5

It is a JOY to be a part of the expansion of a very unique mission organization. Crossover is unique because it is made up of multi-cultural, multi-lingual, multi-denominational missionaries, all who have the same passion, to provide access to the Gospel by planting multiplying churches among the unreached peoples of the world.

Currently our focus is on aligning every worker to Vision 2020. To make this happen, we are gathering over 40 workers from various countries. We will meet in Turkey from July 30-Aug 11. There is critical information they will be processing as the president of Crossover USA will train, encourage and challenge. The president of our Crossover Brazil base will also be there to presenting our Crossover focus, the glory of God. The week will end with a special evening of affirmation.

Prayer Requests

- * Pray as the opposition from the enemy intensifies. We move forward on Jesus' words, "I will build my church, and the gates of hell shall not prevail against it." Matthew 16:18
- * Pray over the language challenges because English is a second language for many of our workers attending the meeting.
- * Pray over the "Team Development Sessions" as Harry and I train how to use the Clarion website for the purpose of personal development and strategic planning.
- * Pray for Jacob, Hayley, and my daughter, Rebecca as they serve our workers providing a quality childcare for all their kids while the workers are gathered in long meetings.
- * Pray for the preparation of the hearts of every worker to come with humility in complete openness to examine their ministries in order for us all to align with Vision 2020, planting 2,000 churches by the year 2020.
- * Pray and consider fasting for the salvation of Muslims as they conclude the month of Ramadan.
