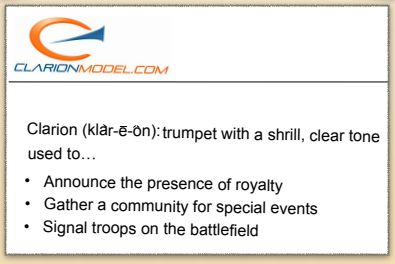
Joy on the Journey

VISION 2020



These men lead our Turkic, Farsi and Malay initiatives. Pray also for leaders over Levant and Maghreb initiatives.

February, 2015

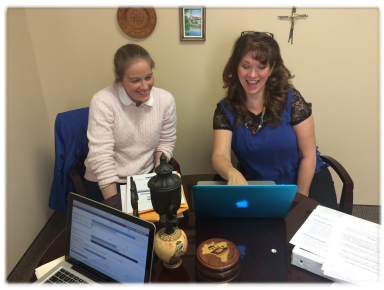
Dear Partners in Ministry,

What a JOY it is to serve the Lord with you! You are a vital part of every church Crossover plants.

Our heart's desire is to flood the nations with spiritually, emotionally, physically healthy, vision-driven, fully-funded Great Commission workers. Crossover partners with Clarion in order to assure member health and to reduce attrition by creating open community and collaboration as we field teams that work among the unreached and unengaged.

Our personnel team will be traveling to Turkey in early September to launch Clarion to our overseas workers to work towards a greater impact for the kingdom. "We know that one of the most wasted resources in the cause of world evangelization is human resources … one thing for certain: God will hold mission agencies accountable for the stewardship of personnel." (Jack Frizen CrossGlobal)

This church planter flew in from Central Asia for a week of strategic planning and this training. Then he returned again to the field to faithfully preach on Sunday.



Part of the Clarion launch is exploring and identifying a worker's "Best Contributions" based on strengths, gifts, talents, passions, and preferences.

VISION 2020

"I remind you to stir up the gift of God which is in you through the laying on of my hands. For God has not given us a spirit of fear, but of power and of love and of a sound mind."
1 Timothy 1:6-7

Praise & Prayer

*Praise God for new churches being started among the unreached and engaged nations!

*We developed a website for you who contribute to our efforts by lifting up our team through prayer. Please visit Call to Prayer and subscribe to receive weekly updates.

*We are processing new workers for the field each month. Pray for wisdom and discernment.

*Pray for me as I travel to NC Feb. 9-13 to get certified in MBTI in order to better serve our workers. A special word of appreciation to IDC, McKinney for their financial gift towards this training.

As of Dec 31, 2014, Crossover has planted 271 churches among the unreached and unengaged peoples. In 2014, we started 49 churches, 34 were among Muslims, 12 were among Hindus. 12 of the 49 were second generation churches! Please pray for us as we seek to be extremely focused and effective as we seek to plant 2,000 multiplying churches by 2020.

Thank you for partnering with me! May God bless you for your faithful financial and prayer support! I'm so grateful for the critical role you play. Because of your faithfulness, evangelical churches are being started,spreading the Gospel of Jesus Christ to the unreached and engaged peoples in the world!

All for His global Glory,

Joanna
